

JULIE RIGA - LEADERSHIP COACH

Julie Riga is hailed the master of mindset. Julie has been teaching executives worldwide on the importance of leaving a legacy through personal and professional initiatives.

Julie's inspiring message of battling a serious illness, a horrific divorce and inspiring her way to the top has touched the lives of professional communities worldwide. A leadership expert and prolific speaker, author and mom who had the odds stacked against her motivates audiences to understand anything is possible if you stay on course.
